I am a versatile artist specializing in 3-D character animation. My professional highlights include Post Production/Compositing/Animation for Adult Swim's *Titan Maximum* and animating 3-D webisodes for Capcom's *Spyborgs*. I have professional experience in a wide range of 3-D software, such as Maya, 3DS Max, Lightwave, and After Effects. In addition to production experience, I have a fine art/traditional animation background and a BFA in Applied Media Arts/Animation.
